Why am I such a dusty window
For your light to shine through?
Why am I just a tiny star
In a sky already blue?
Why do I offer everything
With my heart closed like a fist?
I want to love You better than this

Why do I live like I'm in chains
When You have set me free?
And why do I have to break Your heart
Before I fall to my knees?
I know it's time to pray for change
Give all I have to give
I want to love You better than this

So renew me
Remake me
Undo me
Unbreak me
Come into the empty spaces
Of my broken places
And consume me
Complete me
Pursue me
Redeem me
Let Your Holy Spirit living through me
Renew me

I need Your power to renew me, Lord, yeah
I need to know You're moving through me, Lord

I need You as my refuge
My first and last resort
Be the river always running
Through my deepest thoughts
Keep me in Your arms
'Cause even when I drift
I want to love You better than this

So renew me

Remake me
Undo me
Unbreak me
Come into the empty spaces
Of my broken places
And consume me
Complete me
Pursue me
Redeem me
Let Your Holy Spirit living through me
Renew me

My life bending to Your will
Seeking You until I'm more and more like You
