Your is life,  
Your word is love,  
Your word is true. . .  
Everybody's looking for something to believe in  
Lord, I find the faithful are few and far between  
The more I read about You  
The less I've cause to doubt you  
What You say Lord,  
You mean Now I've seen  
I can take You at Your word  
And my heart can rest assured  
Oh, I trust You  
As I live I've learned  
That I can take You at Your word  
Your name is written here on the my life in love and  
kindness  
Your word is hidden here in my heart to guard my soul  
I've heard the gospel of  
You're redeeming love  
What You say, Lord, You do  
I know it's true  
Your word is life,  
Your word is love,  
Your word is true  
Say You, say Your word to me  
Lord, Your word is a lamp to my feet  
And Your word is a light to my path.
