"Testify To Love"

Visit "[Testify To Love](#)" on MotoLyrics.com

All the colors of the rainbow
All of voices of the wind
Every dream that reaches out
That reaches out to find where love begins
Every word of every story
Every star in every sky
Every corner of creation lives to testify
For as long as I shall live
I will testify to love
I'll be a witness in the silences when words are not
enough
With every breath I take I will give thanks to God above
For as long as I shall live
I will testify to love
From the mountains to the valleys
From the rivers to the sea
Every hand that reaches out
Every hand that reaches out to offer peace
Every simple act of mercy
Every step to kingdom come
All the Hope in every heart will speak what love has
done.
