I'm broken and battered  
I'm desperately searching  
For faith to make sense of the fall  
The questions keep coming  
I'm all out of answers  
It's like I can't breathe at all  
But I find what I've lost  
When I look to the cross  
For the truth, for the light guiding me

I believe that God is my Father  
And Jesus Your Son  
Is living and breathing in me  
I believe  
Oh, Your Spirit is with us  
Giving hope and compassion  
This is the Creed, I will live it  
I will believe

God hear the prayers  
Of someone who needs you  
Fill me with Your peace and grace  
Help me to cling to the rock of ages  
Every promise, every world I'll embrace  
You are my strength  
The stream in the desert  
You hold my life in Your arms

Each day You bring a morning  
Full of your mercies, Your forgiveness  
Full of life, brand new

I believe that God is my Father  
And Jesus Your Son  
Is living and breathing in me  
I believe  
Oh, Your Spirit is with us  
Giving hope and compassion  
This is the Creed, I will live it  
I will believe

I believe  
That He died just to save us  
From the cross to the grave  
On the third day  
He rose  
And He's coming again  
I will live it 'til then  
This is the Creed  
This is the Creed, I will live it  
I will believe
