If I was to tell you  
Just how much I need you  
Would you come tonight?  
Would you not believe me  
'Cause a love that easy never turns out right  
Well I'm trying to change the rules  
You deserve something good in your life  
We waited for far too long  
So come get your blessings tonight, baby

Won't you come over love  
So I can show you love  
I promise I gotta enough  
To give you all that you need, baby  
So many search to find  
A love that's as good as mine  
But I don't wanna waste your time  
So bring it all to me, baby

So baby let me teach you  
Give you love instruction  
Show you what I know  
We could take it easy  
Ain't no need to rush now  
Baby nice and slow  
Well all this stuff I can give to you  
I expect is a bit in return  
And you don't have to perfect, love  
As long as you're willing to learn, baby

Won't you come over love  
So I can show you love  
I promise I gotta enough  
To give you all that you need, baby  
So many search to find  
A love that's as good as mine  
But I don't wanna waste your time  
So bring it all to me, baby  
Bring it all to me

Turn out the lights  
I'll give you all my love tonight  
Lets do what lovers do  
I'm ready for you  
I don't want to waste my time

So don't make me beg tonight  
And don't keep me waiting for love  
Well won't you come over love  
Come over love  
I'll show you love

Promise I gotta love  
To give you all that you need, baby  
So many search to find  
A love that's as good as mine  
But I don't wanna waste your time  
So bring it all to me  
Bring it all to me

Boy you know I love  
Boy you know I love  
Don't you know I love, you love, I love, we love, baby  
I love
