Everywhere you go,
People wanna know just who you are
Said who you are, said who you are, said who you are
Everywhere you stop, everywhere you rest
They wanna talk to you, they wanna talk to you
They wanna talk to you, they wanna talk to you
You're spreading all your loving
And now there's nothing left for me
Making people smile reuniting the diversity
And I wanna be there, I wanna be there
I wanna be there, yeah

The weight of the world, as I wait for you
Hurry up and come, I wanna talk to you
Na na na na na na, na na na na na
Singing yeah, yeah
I get real when I hear these blues
Listen to our song as I think of you
Na na na na na na, na na na na na
Singing yeah, yeah, oh yeah, yeah

Everywhere you play, everywhere you play
They wanna move their feet, they wanna move their feet
They wanna move their feet, they wanna move their feet
Everywhere you smile, everywhere you live you light up the room
And I'm stumbling, thinking of being without you
You're spreading all your loving
And now there's nothing left for me
Making people smile reuniting the diversity
And I wanna be there, I wanna be there
I wanna be there, yeah

The weight of the world, as I wait for you
Hurry up and come, I wanna talk to you
Na na na na na na, na na na na na
Singing yeah, yeah
I get real when I hear these blues
Listen to our song as I think of you

Na na na na na, na na na na na
Singing yeah, yeah, oh yeah, yeah.
