Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh, yeah

Every day was heaven to me  
Every moment was ecstasy, yeah  
But all good things they must come to an end

I don't know how to feel  
And I don't know what to do  
But in this crazy circumstance all I know  
Is I love you

No words can explain  
There's no words to explain  
There's just no letters that can come together to  
express  
All of my pain  
I have no words

Ooh ooh ooh ooh ooh  
I have no words to explain  
Ooh ooh ooh ooh ooh  
Yeah

And I would wonder why you'd have to go  
And I would beg you to stay  
But I know that distance is the only way  
As hard as it is to say

No words can explain  
There's no words to explain  
There's just no letters that can come together to  
express  
All of my pain  
I have no words  
No words

Now these days are passing me by so slowly  
And I don't know what to do with myself  
People are asking how I'm doing without you

What can I say....hey

No words can explain  
There's no words to explain  
There's just no letters that can possibly come together  
to express  
All of my pain  
I have no words

No words can explain  
There's no words to explain  
There's just no letters that can come together to  
express  
All of my pain

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh
