So you think I've been bad now baby  
Cause its my turn and I ain't home  
You think I'm running around like crazy  
But I know you get what you deserve  
People talking about us baby  
We're starting to believe things we heard now now now

But if you love me like I love you  
Then you know that it ain't true

You know I've been a rude boy baby  
Hope I don't get all that I deserve  
When I'm tripping on our love  
I'm only looking for what I've been guilty of  
Maybe it's payback baby  
I'm starting to believe the things I've heard

But if you love me like I love you  
Then you know that it ain't true

I'm alone again tonight  
Thinking things ain't right  
But baby dry your eye  
Cause I never do you wrong I only do you right  
I know you won't do me wrong  
I only do you right  
I love it when you do me right  
And if you love me like I love you  
Then you know that it ain't true, it ain't true

When we're together  
Ain't nothing wrong  
When apart why would that change  
If our love is strong  
You do what you have to do  
Trust you know I will  
I ain't sweating rumors  
Because our love is real

I don't think you're a bad girl baby  
I think we are one in the same  
And you know you're my rude boy darling

When it comes to love this ain't no game, no  
If you love me like I love you  
Oooooohh  
If you love me like I love you  
Oooooohh  
If you love me like I love you  
Then you know that it ain't true  
It ain't true  
It ain't true  
Then you know that it ain't true  
It ain't true  
It ain't true
