She found hers  
I gotta find mine too  
Leave it to faith  
To make it happen for you

I'm so confussed  
But how I supposed to be  
What am I doing?

Am I...

Destined for loneliness  
Life shared low  
Writing songs about my sorrow  
On my hotel room floor

Told you I deserve to be happy  
You said: That we all do  
Selfish of me to want only  
The best of you

Chorus:  
I'm sorry I'm so sorry  
I didn't mean to fall in love  
I'm sorry I'm so sorry  
I just wanna to be happy too  
What am I doing?

Is a mystery  
Uncertainty of where this song willing for me  
You broke me down, got deep in to my heart  
Now don't you leave me crying in the dark

You're so far away know  
The time and distance are killing me  
Are there enough memories to even feed our hearts  
But we are apart

I told I deserve to be happy  
You said: She does to  
Foolish of me to want only the rest of you

Chorus:

I'm sorry I'm so sorry  
I didn't mean to fall in love  
I'm sorry I'm so sorry  
I just wanna to be happy too  
What am I doing?  
What am I doing?

Is a mystery  
Uncertainty of where this song willing for me
