You came from the past,
Moments seemed like they'd last forever.
And I know what you said
When we laid down in bed together.

And I should be ashamed
That I had you compared
To what I've got.
That my mind has replaced
What your fingers have traced
And my have not.

I'm far from a saint.
These feelings won't faint.
Your smile makes my day,
Please go away.

Chorus:
I know. I know by the things you say.
I know by the things you do.
I know 'cause the smile that I wear,
I wear because of you.
I know. Know by the things you say.
I know by the things you do.
I know 'cause the scars that I wear,
I wear because of you.

You don't have to pretend.
That you're just a friend,
No never.
Cause I know what you said,
It will ring in my head forever.

Chorus:
I know. I know by the things you say.
I know by the things you do.
I know cause the smile that I wear,
I wear because of you.
I know. Know by the things you say.
I know by the things you do.
I know 'cause the scars that I wear,
I wear because of you.
