One thing
You will remember
Next time you send over something trite
Is don't
Mess with my anger
I'll make you swallow what you write.

Chorus:
You'll scream and cry
And hope to die
You'll lose your pride
When we collide.
I'm insane, stay the f*ck away.

You'll see the knives and ropes
And you will lose your hopes.
Stand up so you can fall
I'll make you lose it all.

I looked into your eyes
It's such a weak disguise
You're lower than the lame
I beat you at your game.

Chorus:
You'll scream and cry
And hope to die
You'll lose your pride
When we collide.
I'm insane, stay the f*ck away.

Bridge:
You'll see the knives and ropes
You will lose your hopes
Stand up so you can fall
I'll make you lose it all.

Chorus:
You'll scream and cry
And hope to die
You'll lose your pride
When we collide.

I'm insane, stay the f*ck away.
