Lately every movie makes me cry
Even warnings from the FBI.
I think it's 'cause we had to say good-bye.
Now every single movie makes me cry.

You've made plans to leave friends, and I don't mind.
You're takin' off, livin' life, and I don't mind.
You're leavin' me behind, and I don't mind.
Don't wanna let you go, just wanna let you know

That I will belong to...
I will belong to...
I will belong to you.
So I'm fine.

And maybe we could never make up our minds.
Knowing this makes me wish we could rewind
Into another time; what would we find?
You're leaving me behind; and I don't mind.
Don't wanna let you go, just wanna let you know

That I will belong to...
I will belong to...
I will belong to you.
So I'm fine.

The next four seasons are for good reasons.
For all that I owe, I wanna let you know that.

I will belong to...
I will belong to...
I'll belong to you.

So I'm fine.

Lately every movie makes me cry
Even warnings from the FBI.
I think it's 'cause we had to say good-bye.
Now every single movie makes me cry.

It makes me cry.
