Fuck you, you cheating bitch
Fuck you, ya fascist prick
Fuck you, ya all are dicks
Fuck you
Fuck the system, fuck the state
Fuck the rules, and all the race
Fuck yourself before someone else
Fuck you

FUCK YOU

FUCK YOU

Everyone is out to fuck
Fuck your feelings you fuckin dolt
If your not old enough to fuck
Guess what not old enough to fuck
Getting up but feeling down
Get beat up then get beat down
Get beat down then get back up
Hope you don't get skull fucked
