Dear mama I miss you so  
I just wrote to let you know  
Those senioritas know their way around the dancefloor  
But I can't stay here anymore

Burning andalusian son  
Telling me I don't belong  
I've been dancing, sweating making love into the  
nights  
You can see it in my eyes

I've been taking a gun to my head  
I've been sleeping with medusas in my bed  
I've been singing the songs that we sang back home  
I've been hanging with the bad bunches at night  
I've been roaming in the streets by the city lights  
I've been singing the songs that we sang back home

Don't you worry about me please  
Never felt this got damn free  
Putting my life on the edge is what I wanna do  
See you back home I love you so

I've been taking a gun to my head  
I've been sleeping with medusas in my bed  
I've been singing the songs that we sang back home  
I've been hanging with the bad bunches at night  
I've been roaming in the streets by the citylights  
I've been singing the songs that we sang back home

Those senioritas know their way around the dancefloor  
But I can't stay here anymore  
I've been taking a gun to my head  
I've been sleeping with medusas in my bed  
I've been singing the songs that we sang back home

I've been taking a gun to my head  
I've been sleeping with medusas in my bed  
I've been singing the songs that we sang back home  
I've been hanging with the bad bunches at night  
I've been roaming in the streets by the citylights

I've been singing the songs that we sang back home
