"A Maze Of Grace"

I run, I fall
I walk, I sometimes crawl
I give, I take
I bend and yet somehow I break

I get dizzy from all this spinning 'round
I'm determined but wonder where I'm bound
I've learned to follow the sweet familiar sound
Of Your voice

The straight and narrow twists and turns
I make my way and
Everyday I live, I learn to follow You
You walk me through a maze of grace

I stand, I sway
I reach for You, I push away
I'm spent, I'm saved
I disobey yet I behave

In my personal struggle to break free
The only peace for the puzzle that I need
Is just to follow the sweet familiar lead
Of Your love

The straight and narrow twists and turns
I make my way and
Everyday I live, I learn to follow You
You walk me through a maze of grace

I'm lost in You and there I'm found
You're gently guiding
Every time I turn around it's no surprise
To see my life's a maze of grace

The straight and narrow twists and turns
I make my way and
Everyday I live, I learn to follow You
You walk me through a maze of grace

I'm lost in You and there I'm found
You're gently guiding

Every time I turn around it's no surprise
To see my life's a maze of grace

The straight and narrow twists and turns
I make my way and
Everyday I live, I learn to follow You
You walk me through a maze of grace

I'm lost in You and there I'm found
You're gently guiding
Every time I turn around it's no surprise
To see my life's a maze of grace
