### VERSE:

I've had a world of possibilities slip through my hands  
& prayers that went unanswered that I couldn't understand  
There's a faith that can move mountains but I never let it move me  
I only trusted things that I could see

### PRECHORUS:

So much frustration & trying it alone  
I've had the revelation I can't make it on my own

### CHORUS:

Deep in my heart, deep in my soul  
There was always something missing  
Now You got my full attention  
I give You my life, surrender control  
O I finally learned to listen to the call

### TAG):

I give You my all  
I give You my all yeah

### VERSE:

There are moments in the journey where I wonder where You are (where You are)  
& sometimes I forget that You live inside my heart (live in my heart)  
It's there I hear You whisper "I've been here all along" (here all along)  
& I'm in the hands of mercy where I belong

### PRECHORUS:

A silent conversation when You speak to me (You speak to me)  
Is the sweetest inspiration & all I'll ever need yeah (oh)

### CHORUS + \*DESCANT1:

Deep in my heart, deep in my soul  
There was always something missing

Now You got my full attention  
I give You my life, surrender control  
O I finally learned to listen to the call  
TAG:  
I give You my all  
I give You my all yeah

\*DESCANT1:  
Deep in my heart & in my soul  
Lord I give You full control

BRIDGE + \*DESCANT2:  
Every thing I have to give  
Lord I freely give it all yeah yeah yeah

\*DESCANT2:  
Every single day of my life I live  
Every little thing that I have to give  
Lord I freely give it, Lord I freely give it  
Every single day of my life I live  
Every little thing that I have to give  
Lord I freely give it, Lord I freely give it all

CHORUS:  
Deep in my heart, deep in my soul  
There was always something missing  
Now You got my full attention (deep in my soul)  
I give You my life, surrender control (Lord I give up control)  
O I finally learned to listen to the call  
I give You my all

CHORUS + \*DESCANT1:  
Deep in my heart, deep in my soul  
Deep in my heart, deep in my soul  
There was always something missing  
Now You got my full attention (deep in my soul)  
I give You my life, surrender control  
O I finally learned to listen to the call  
TAG:  
I give You my all  
I give You my all

FIN:
