You changed my world
When You came to me
You drove a passion
In my soul down deep
Lord, to follow You in everything

I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie

And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are
So I don't want to go

So come whatever, I'll stick with You
I'll walk, You'll lead me
Call me crazy or a fool
For forever I promise You that

I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie

And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are
So I don't want to go

Without Your touch, without Your love
Filling me like an ocean
For Your grace is enough, enough for me
To never want to go somewhere
If I know that You're not there

I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie

And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are

So I don't want to go
