You changed my world
When You came to me.
You drove a passion,
In my soul down deep,
Lord, to follow You in everything.

I don't want to go somewhere
If I know that You're not there,
'Cause I know that me without You is a lie.
And I don't want to walk that road,
Be a million miles from home,
Cause my heart needs to be where You are.
So I don't want to go.

So come whatever,
(Whatever may come)
I'll stick with You.
(Right by Your side)
I'll walk You'll lead me,
Call me crazy or a fool,
For forever I promise You...

That I don't want to go somewhere
If I know that You're not there,
'Cause I know that me without You is a lie.
And I don't want to walk that road,
Be a million miles from home,
Cause my heart needs to be where You are.
So I don't want to go
Without Your touch,
Without Your love
Filling me like an ocean.
For Your grace is enough,
Enough for me.

Never want to go somewhere
If I know that You're not there.
No, no, no, no.

I don't want to go somewhere
If I know that You're not there,

'Cause I know that me without You is a lie.
And I don't want to walk that road,
Be a million miles from home,
Cause my heart needs to be right where You are.
So I don't want to go. No, no.
Oh.
Oh, oh, oh, oh, oh, oh.
Without Your touch,
Without Your love
Filling me like an ocean.
Your grace is enough,
I don't want to go.

I don't want to go somewhere,
If I know that You're not there.
I don't want to be there without You.
Without your touch,
(I don't want to go somewhere,)
Without you love-acap
