I had a baby named Jane  
she cud shake that thing  
said her daddy used to hang with Johnny Coltrane  
she sang the soul train with a friend named Jen  
her booty was bigger than a Mercedes Benz  
Jen was a hurty burty dirty little girlie  
I heard it from a birdie she could cook a mean turkey  
with gravy  
Baby Baby Baby  
Baby was Jen's best friend  
and maybe if you were lucky  
licky licky sucky sucky  
Mickey Mickey, fuck me fuck me  
more junk in her trunk than a Honda  
I know you wanna do the Jane Fonda

CHORUS :

One, two, three, four  
get your booty on the dance floor  
work it out, shake it little momma  
lemme see you do the Jane Fonda  
five, six, seven, now  
if you don't know, let me show you how  
to work it out, work it little momma  
I know you wanna do the Jane Fonda

I had a princess, queen of incest  
she was in Brebbia jeans had big breasts  
and big eyes and a big ass to match  
Jean wasn't fast, she was easy to catch  
then came Molly  
a hood from Hollywood High  
so fly she was transatlantic  
she was a manic depressive  
\* manic depressive \*  
which was impressive  
very impressive  
I had to test it  
tasted like chicken and was lemon scented  
she took me home to her mama

I taught 'm both how to Jane Fonda

CHORUS

I had a doll named Dana from Santa Ana  
she was a waitress at the Copa Cabanna  
she was slammin' and her ass was jammin'  
like Janet Jackson in the rhythm nation  
her brother jason had a girl named Grace  
and you could see her ass from outer space  
so I landed on her planet  
and I planted a Mickey Av flag in it dammit

CHORUS x 4
