Light a candle  
For the old man who sits staring  
Out a frosty windowpane

Light a candle  
For the woman who is lonely  
And every Christmas is the same

For the children who need  
More than presents can bring

Light a candle  
Light the dark  
Light the world  
Light a heart or two  
Light a candle for me  
I'll light a candle for you

Light a candle  
For the homeless and the hungry  
A little shelter from the cold

Light a candle  
For the broken and forgotten  
May the season warm their souls

Can we open our hearts  
To shine through the dark

Light a candle  
Light the dark  
Light the world  
Light a heart or two  
Light a candle for me  
I'll light a candle for you

And in this special time of year  
May peace on earth surround us here  
And teach us there's a better way to live  
And with every (every) flame that burns  
We must somehow learn  
That love's the greatest gift

That we could ever give.....

Light a candle  
Light the dark  
(light the world)  
Light the world  
(light a heart or two)  
Light a heart or two  
Light a candle for me  
I'll light a candle for you (I will)  
Light a candle (oh, I will)  
Light the dark ( because everybody needs a light)  
Light the world  
Light a heart or two (ohhh)  
Light a candle for me (you know I will)  
I'll light a candle for you(you can light a candle)  
Light candle for me  
I'll light a candle for you  
(i will)  
Light a  
Light a candle for me  
Oh, I'll light a candle for you
