Overjoyed
By Avalon

Overjoyed
I believe I found the secret everybody's looking for
I found the something that was missing, found my
something more
A love that's really real, the only love that's truly true

There's not a moment I don't want to be with You
Every night I find my way
Every day and every night
By the light of Your love
You're like nothing else
And I can't help myself

Whenever we're together
And my heart is Yours forever
I'm overjoyed over all You do
For always I'll be overjoyed over You

Trouble's gonna come and trouble's gonna go, I know
it's true
But for Your grace, where would I be in this crazy life
What does it matter, Lord, as long as I can run to You
You give me joy that I could never hide

You make me strong
You're the song in my soul
Lord, I know why I'm here
You make me whole
Now it's coming clear

I'm overjoyed over all You do
And my heart is Yours forever
Whenever we're together
For always I'll be overjoyed over You

Every night I find my way
Every day and every night
You're like nothing else
And I can't help myself

By the light of Your love
Whenever we're together
I'm overjoyed over all You do
And my heart is Yours forever
For always I'll be overjoyed over You

Yours forever
