I take each breath as if it is my first  
I hold it there, so deep inside me  
'Til I'm about to burst  
I speak each word as if it is your name  
I move my lips... I see the whisper  
Stir the gentle flame

Your heart beats and so does mine  
Your love moves  
And I know I'm alive

### CHORUS

You are my oxygen  
I breathe you in  
I breathe you out  
You are my oxygen  
You are my love  
You are what life's about

I take each breath as if it is my last  
You never know what came so slowly  
Could leave us, oh, so fast  
I take each step as if it is to lyou  
I hear your voice  
I feel your presence  
In everything I do

My soul sleeps, your love revives  
Our hearts meet  
And I know I'm alive

The air is thick, the flower sweet  
The shadow comes down  
Tonight the moon is at my feet  
And I breathe you in  
I breathe you in  
I breathe you in to me

I'm nobody without you  
If you were not here what would I do
