Praise The Lord - Avalon

When you're up against a struggle  
That shatters all your dreams  
And your hopes been cruelly crushed  
By Satan's manifested schemes.  
And you feel the urge within you  
To submit to earthly fears  
Don't let the faith your standing in  
Secede to disappear

Praise the Lord. He can work for those who praise him  
Praise the Lord. For our God inhabits praise  
Praise the Lord. For the chains that seem to bind you  
Serve only to remind you  
They drop powerless behind you  
When you praise Him

Now Satan is a liar and he wants to make us think  
That we are paupers, when he knows himself  
We're children of the King  
So lift up the mighty shield of faith  
For the battle must be won  
We know that Jesus Christ has risen  
So the works already done

Praise the Lord. He can work for those who praise Him  
Praise the Lord. For our God inhabits praise  
Praise the Lord. For the chains that seem to bind you  
Serve only to remind you  
They drop powerless behind you  
When you praise Him

Praise the Lord. He can work for those who praise Him  
Praise the Lord. For our God inhabits praise  
Praise the Lord. For the chains that seem to bind you  
Serve only to remind you  
They drop powerless behind you  
When you praise Him  
Praise Him  
Praise Him

When You Praise Him  
When You Praise Him  
When You Praise the Lord
