Another day just the same
Another night, still no change
Caught in the middle
Of where I am and where I should be
Inside I whisper Your Name
Outside I barely maintain
Without Your strength in my life,
I'm a lost soul -
Lord, please send Your rain
To wash away the pain,
Take away the blame
I'm callin' out Your Name

(CHORUS)

Lord, I Pray
Help me find a way
Way back to You
I'm on my knees, beggin' You please
Every time I stumble, Lord, I Pray
Help me find a way
You sacrificed, paid with Your life,
Gave me the right --
Lord, I Pray...

I know I'm weak and You are strong
You give me faith to hold on.
Lord, help me see that I'm stronger
When I'm down on my knees
'Cause that's where the power begins
Your boundless strength has no end
No matter what comes my way
I'll persevere if I just
Pray
It's the strength You give me
Pray
It comes so freely
Pray
I'm callin' out Your name, so...

(CHORUS)

Lord, I Pray
Help me find a way

Way back to You
I'm on my knees, beggin' You please
Every time I stumble, Lord, I Pray
Help me find a way
You sacrificed, paid with Your life,
Gave me the right --
Lord, I Pray...

(BRIDGE)

Down on my knees I find You
Leavin' this world behind, and You
Always hear me when I
Need some answers, and I
Just can't seem to make it through
And I'm not sure what I should do
That's when I close my eyes
And Lord, I pray...

(CHORUS)

Lord, I Pray
Help me find a way
Way back to You
I'm on my knees, beggin' You please
Every time I stumble, Lord, I Pray
Help me find a way
You sacrificed, paid with Your life,
Gave me the right --
Lord, I Pray
Help me find a way
Way back to You
I'm on my knees, beggin' You please
Every time I stumble, Lord, I Pray
Help me find a way
You sacrificed, paid with Your life,
Gave me the right --
Lord, I Pray...
