This is the sight
We had one day
On the High Mountain.
We saw a lamb with seven eyes
We saw a beast with seven horns
And a book sealed with seven seals.
Seven angels with seven trumpets
And seven bowls filled with anger.
Those are the pictures

Of what was
Of what is
Of what is to come.
We are the people
The rolling people
The why people
The waiting people
The wanting people
The tambourine people
The alternative people
The angel people
