I fear death
I just wanna groove
I just wanna live
I got so much to do
I fear death
I just wanna groove
I just wanna live
I got so much to do
I need time
I like the way I live
and not to lose it all
I have so much to give
I need time
I like the way I live
and not to lose it all
I have so much to give

I fear death
I just wanna groove
I just wanna live
I got so much to do
I fear death
I just wanna groove
I just wanna live
I got so much to do

I need time
I like the way I live
and not to lose it all
I have so much to give
I need time
I like the way I live
and not to lose it all
I have so much to give

[Interlude]

I fear death
I just wanna groove
I just wanna live
I got so much to do

I fear death
I just wanna groove
I just wanna live
I got so much to do

I need time
I like the way I live

I have so much to give
I need time
I like the way I live
and not to lose it all
I have so much to give

[Interlude]

Let me love, let me live
Let me love, let me live
Let me love, let me live
Let me love, let me live
Let me love, let me live

Let me love, let me live
Let me love, let me live
Let me love, let me live
Let me love, let me live
Let me love, let me live
