When I came in
That's when I woke up

[interlude]

Oh, it's morning in my head
It's spinning 'round
I had a girl
When I came in
That's when I woke up
She was gone...

[interlude]

Oh, it's morning in my head
It's spinning 'round
I had a girl
When I came in
That's when I woke up
She was gone...

[interlude]

Oh, it's morning in my head
It's spinning 'round
I had a girl
When I came in
That's when I woke up
She was gone...
