Some other people living far away
some other people wouldn't care for me
wouldn't care for me
wouldn't care for me
people
wouldn't care for me
wouldn't care for me
man

[interlude]

Flowers and fun now
to be living with
flowers and sins now
to be living with
to be living with
to be living with
people
to be living with
to be living with
man

[interlude]

All of these people keep an eye on me
They are unable
and my good old friends
good old friends are sad
good old friends are sad
people
good old friends are sad
good old friends are sad
man

They told me to go away
'cause I saw the light
and I said I'm leaving you
'cause I know the Truth
people
'cause I know the Truth
man

They told me to go away
'cause I saw the Light
and I said I'm leaving you
'cause I know the Truth
'cause I saw the Light
and I know the Truth
people
'cause I saw the Light
and I know the Truth
man

Ohhhhhh
Ohhhhhh.....
