There's something in the way, you're always  
somewhere else,  
Feelings have deserted me to a point of no return,  
I don't believe in God, but I'll pray for you.

Don't you slip away from me, it's you I live for, don't  
you leave,  
Don't you slip away from me, I'm vulnerable to your  
love.

Don't let them get you, stay away from the sun  
It's too bright for you  
Your eyes getting blurry - stay, I'm crying your name  
I don't believe in God but I pray for you

Don't you slip away from me, it's you I live for don't you  
leave  
No, don't you slip away from me, I'm vulnerable to your  
love

There is something in the way you're always  
somewhere else  
Feelings have deserted me to a point of no return  
So the light fades out and you're so close to losing

Don't you slip away from me, it's you I live for don't you  
leave  
No, don't you slip away from me, I'm vulnerable to your  
love  
Don't you slip away from me  
It's you I live my life for  
No don't leave

Don't you slip away from me, I'm vulnerable to your  
love  
Don't you slip away
