I try to make it through my life.
In my way, there's you
I try to make it through these lies.
And that's all I do.

Just don't deny it
Just don't deny it
And deal with it
Yeah deal with it
You try to break me
You wanna break me bit by bit
That's just part of it.

If you were dead or still alive
I don't care
I don't care
And all the things you left behind
I don't care
I don't care

I try to make you see my side
I always trying to stay in line
But your eyes see right through,
That's all they do.

I'm getting tired of this shit
I got no room when it's like this
But you wanted me just deal with it

So,
If you were dead or still alive
I don't care
I don't care
And all the things you left behind
I don't care
I don't care

(Violin solo)

Nothing can care about
Nothing can care about

You won't be there for me
You won't be there for me

If you were dead or still alive
I don't care
I don't care
And all the things you left behind
I don't care
I don't care

If you were dead or still alive
I don't care (Nothing can care about)
I don't care (Nothing can care about)
And all the things you left behind
I don't care (you won't be there for me)
I don't care...

... At all
