I try to make it through my life
In my way, there's you
I try to make it through these lies
And that's all I do

Just don't deny it
Don't try to fight this
And deal with it
And that's just part of it

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
'Cause I swear I don't care
(I swear!)

I try to make you see my side
I always try to stay in line
But your eyes see right through
That's all they do

I'm getting buried in this place
I got no room, you're in my face
Don't say anything, just go away

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
'Cause I swear I don't care
(I swear!)

Not changing everything
'Cause you won't be there for me
Not changing everything
'Cause you won't be there for me

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
'Cause I swear I don't care
(I swear!)

If you were dead or still alive
I don't care, I don't care
(I don't care! I don't care!)
Just go and leave this all behind
I don't care, I don't care
(I swear!)
At all
