vocals by Tobias Sammet and Roy Khan

Roy Khan:

One of a kind they say they've never seen before
Investigate the aberration, disorder in the core
[Tobias Sammet:]
I never tried to hide away or tried to keep your pace
You walk me to the slaughter with a smile upon your
face

Chorus:

From the cradle to the madhouse, a twisted mind
There's no way out of this hell for twisted mind
There's no way out
There's no way out

Roy Khan:

You've come to see the healer, so don't you be afraid
They call me tranquilizer, I'm here to isolate
We paint in black and white and you're the dirty in
between
Monstrosity of nature, a virulent disease

Chorus

Can't you see, can't you see
That you are not like anyone?
You'll never see through anyone else's eyes
And who am I to certify the sanity of a twisted mind
A victim of perception, a twisted mind

[x2]

Missprizing chastising
Subhuman fragmentizing
Sensation aberration
Repulsive tantalizing

[x2]

From the cradle to the madhouse, a twisted mind
There's no way out of this hell for twisted mind

There's no way out [x6]
