Raw power, more power, foot to the floor power - here  
we go, here we go  
Raw power, your power, out on the floor power  
Drum power, bass power, right in your face power, rip it  
up  
Raw power, full power, out on the floor power, here we  
go, here we go

Like a bullet from the gun, you're on the run  
We got it if you want some, want some  
We'll squeeze it to the last drop, from the bottom,  
To the very tip top, hip hop, don't stop, go!  
Go, go, go, go!

Raw power, more power, foot to the floor power  
Raw power, full power, out on the floor power, here we  
go, here we go

We got to give it all or nothing at all  
We got to give it all or nothing at all  
We got to give it all or nothing at all  
We got to give it all or nothing at all

Rip it up - come on, come on!

Slam dunking state of mind, every time  
Throwing you a life-line, life-line  
We'll leave the group shell-shocked from the bottom  
To the very tip top, hip hop don't stop, go!  
G-g-g-g-g-go, g-g-g-g-g-g-g-g-go, g-g-g-g-g-go!

Raw power, more power, foot to the floor power - here  
we go, here we go  
Drum power, bass power, right in your face power - rip  
it up, trip it up  
Raw power, your power, out on the raw power - here we  
go, here we go

We got to give it all or nothing at all  
We got to give it all or nothing at all  
We got to give it all or nothing at all

We got to give it all or nothing at all

To the next side - giving it the jazz rinse

Hey, hey, hey - slam dunking state of mind

Hey, hey, hey - every time

Hey, hey, hey - ten, nine, eight, seven, six, five, four  
four forty
