(Whispering)

Sembra che non muora mai
Ti prego, resta con me...

Stay one more day
My heart's been so cold for centuries, please
Stay 'coz now that I found your love, I just don't let you
go...
Perch , sognare non si pu ,...

When you go away
My world will fall apart
There's no escape
From what to do
So don't play with my heart

Time pass me by
My feelings were there
When no-one was there
Why?'coz that I found my way
Why can't I make you stay?
Perch , sognare non si pu ,...

When you go away
My world will fall apart

There's no escape
From what to do
So don't play with my heart
And help myself
I'm meeting you
So don't play with my heart

Stai qu  con me
Sogno di te ad occhi aperti
Sei quel che non ho avuto mai
Ti prego resta con me

When you go away
My world will fall apart
There's no escape
From what to do

So don't play with my heart
And help myself
I'm meeting you
So don't play with my heart

(Whispering)
Resta con me, ti prego...
Sei quel che non ho avuto mai
Ti prego, resta con me...
