You said that love was just a state of mind  
A puzzle made of pieces you can't find  
But for me you never really had the time  
I was blind, oooohhh.

And everything that you meant to me  
Is written in the pages of my history  
But it's over now as far as I can see  
Suddenly

Chorus:  
Things are so different now you're gone  
I thought it'd be easy I was wrong  
(and now I'm caught..)  
And now I'm caught in the middle  
Even though I am with someone new  
All I can think about is you  
(and now I'm caught...)  
And now I'm caught in the middle

Movin' on she brings me brighter days  
Thoughts of you are in my mind always  
Like a memory, that I can't erase  
It's here to stay

Chorus:  
Things are so different now you're gone  
I thought it'd be easy I was wrong  
(and now I'm caught..)  
And now I'm caught in the middle  
Even though I am with someone new  
All I can think about is you  
(and now I'm caught...)  
And now I'm caught in the middle

(So different) You're so different  
(So easy) So easy  
(But I can't get over you) And I can't get over you x2

Chorus: (x2)  
Things are so different now you're gone

I thought it'd be easy I was wrong  
(and now I'm caught..)  
And now I'm caught in the middle  
Even though I am with someone new  
All I can think about is you  
(and now I'm caught...)  
And now I'm caught in the middle

Things are so different now you're gone  
I thought it'd be easy I was wrong  
And now I'm caught in the middle  
Even though I am with someone new  
All I can think about is you  
And now I'm caught in the middle

The title is wrong: CAUGHT IN THE MIDDLE, not cought.
