Mark: lately i'm not who i used to be  
Someone's come and taken me  
Where i don't wanna go  
If i knew exactly what i have to do  
In order to be there for you  
When you were feeling low

Ben: and all the things we ever wanted  
Were once yours and mine  
Now, i know we can revive it  
All the love we left

Paul: everytime i kiss i feel your lips and  
Everytime i cry i see your smile and  
Everytime i close my eyes i realise that  
Everytime i hold your hand in mine  
The sweetest thing my heart could ever find  
And i have never felt this way  
Since the day i gave your love away

Christian: save me, i've fallen from my destiny  
You and i were meant to be  
I've thrown it all away  
Now you're gone  
It's time for me to carry on  
But baby i just can't go on  
Without you by my side

Ben: and all the things we ever wanted  
Were once yours and mine  
Now, i know we can revive it  
All the love we left

Paul: everytime i kiss i feel your lips and  
Everytime i cry i see your smile and  
Everytime i close my eyes i realise that  
Everytime i hold your hand in mine  
The sweetest thing my heart could ever find  
And i have never felt this way  
Since the day i gave your love away

Ben: we can survive it  
All the pain we feel inside  
You relied on me and now i've let you down  
Now, i promise you forever  
I will be the best i can  
Now, i know we can revive it  
All the love we left

Paul: everytime i kiss i feel your lips and  
Everytime i cry i see your smile and  
Everytime i close my eyes i realise that  
Everytime i hold your hand in mine  
The sweetest thing my heart could ever find  
And i have never felt this way  
Since i gave your love away

Everytime i kiss i feel your lips and  
Everytime i cry i see your smile and  
Everytime i close my eyes i realise that  
Everytime i hold your hand in mine  
The sweetest thing my heart could ever find  
And i have never felt this way  
Since the day i gave your love away
