(ben)
maybe i don't even exist
so i'll stay anonymous
it's over and the situation shouted in shame
and they say it's down to us
but what do they know

(all)
so write, this time
till it's starting or ending
i'll never get tired of your lies

(ben)
but what you've got to visualise

(all)
it's so intoxicating
we either get it high or go dry

(ben)
either get it high or go dry
this time

(paul)
i see you're playing that song again
you never show your hand
to let me in

(paul) you keep it all inside yourself
and cry to no one else
but i catch your tears

(all)
so i write
(ben)
so i write, this time
this time

till it's starting or ending (ben:starting)
i'll never get tired of your lies

(paul)
but what you've got to visualise (ben:oh, oh)
(all)
it's so intoxicating

we either get it high or go dry
either get it high or go dry
(paul)either get it high or go dry

(mark)
you say this love will see another day
but at least tonight
you'll be mine

(all)
so i write(mark:so i write),this time (mark:this time)
till it's starting or ending (mark:starting or ending)
i'll never get tired of your lies (mark:oh, oh)

(paul)
but what you've got to visualise
(all) it's so intoxicating
we either get it high or go dry
either get it high or go dry

(ben)
gonna go, gonna go
gonna go high or get dry
yeah,yeah(all:either get it high or go dry)
we either(all: go dry)

(paul: high and dry)
(ben: no...)either get it high or go dry
(paul:high and dry)
(ben:we either go)
(mark:high or dry)(ben: no...)
so i write (ben:this time,baby,this time
