Chris:

Falling for a fantasy,
I threw away my destiny.
I don't know where to start,
Healing broken hearts.
I think about it endlessly,
My eyes too dry to cry,
For i've lost all this time,
All this time with you, oh

I was tempted by the,
Power of desire.
I surrendered to the,
Calling of the fire,
There is nothing I can ever say,
To change the things I did,
But I promise you,
I'll make it up to you.

Mark:

Take me back to yesterday,
When all our dreams were swept away,
I'd never cross that line,
That changed the course of time,
I can never live this way,
If only you'll forgive,
We'll start again- with my heart,
For all my love for you
all my love for you
I was tempted by the,
Power of desire.
I surrendered to the,
Calling of the fire,
There is nothing I can ever say,
To change the things I did,
But I promise you,
I'll make it up to you.

Chris:

No surrender , no return,
If you believe that ...

I was tempted by the,
Power of desire.
I surrendered to the,
Calling of the fire,
There is nothing I can ever say,
To change the things I did,
Chris: But I promise you,
I'll make it up to you.
