I'm mad, still mad about you  
It's too bad, I'm bad without you

Don't touch  
you've already said too much  
Pick and collect your stuff  
T-shirts and your toothbrush  
Cos that's all you've got

You can't keep what you're throwing away  
Our love is six feet underground  
I can't speak cause it's not easy to say  
Our love is six feet underground

Lovesick, but I'm still sick of you  
I quit, was too quick to love you

Don't touch  
you've already said too much  
Come back and collect your stuff  
T-shirts and your toothbrush  
Cos that's all you've got

You can't keep what you're throwing away  
Our love is six feet underground  
I can't speak cause it's not easy to say  
Our love is six feet underground

There's no way back this time

So we gotta leave it all behind

Oh, oh, ohh  
oh, oh, ohhh  
Oh, oh, ohh  
oh, oh, ohhh

You can't keep what you're throwing away  
Our love is six feet underground  
I can't speak cause it's not easy to say  
Our love is six feet underground

You can't keep what you're throwing away  
(there's no way back this time)  
Our love is six feet underground  
I can't speak cause it's not easy to see  
(So we gotta leave it all behind)  
Our love is six feet underground

You can't keep what you're throwing away  
(there's no way back this time)  
Our love is six feet underground  
I can't speak cause it's not easy to see  
(So we gotta leave it all behind)  
Our love is six feet underground

[Repeat to fade]
