All: summertime of our lives
Summertime of our lives, our lives

Ben: hey girl the feeling is right
You've gotta get out in the sunlight

All: (sunlight)

Mark: hot sand holding your hand
You keep me jammin' in the morning
'Til the moonlight

All: we'll have the time of our lives
In our wonderworld
Time of our lives
There's a boy for every girl come one
Summertime of our lives our lives
Summertime of our lives our lives

Christian: cool breeze kissin' the sea
I've got a sunbeam shining on me

All: (on me)

Paul: blue skies sea in your eyes
Let the groove move my people
All around me

All: we'll have the time of our lives
In our wonderworld
Time of our lives
There's a boy for every girl come on
Summertime of our lives our lives
Summertime of our lives our lives

Summertime summertime
Sugar candy cherry world
Summertime summertime
There's a boy for every girl
Summertime summertime
Sugar candy cherry world

Summertime summertime

Summertime summertime x 2
