Hook:

Kiss me hard before you go  
(It's dedicated)  
Summertime sadness  
(To the young men and women)  
I just wanted you to know  
(It's summertime)  
That baby you're the best (yeah!)  
I've got that summertime, summertime sadness  
(This one for the youth down, yeah)  
S-s-summertime, summertime sadness  
(This one for the youth down, yeah)  
Got that summertime, summertime sadness  
(This one for you, yeah)  
Oh, oh, oh!

Yeah, back at the game  
Back spinning that touch of the game  
Man, I wanna try, went out behind  
This will never come close like a catch in the train  
On a high speed track, cause I think back  
Reminiscent all back in the day  
In the summertime it was too hot for jeans  
So if you has a backpack, you was packing the thing in  
it  
Probably, but my house party is going bad, it's a  
shame!  
When I want fight with a sword'  
I wanna come back, it was click-click-clack with a bang!  
Shot and' to the back of the brain  
Since then ain't shit actually changed  
But you still gotta deal with the madness  
Had nice summertime sadness!

Oh, my God (Goodman this!) I feel it in the air  
Telephone wires above I'm sizzlin' like a snail  
Honey I'm on fire I feel it everywhere  
Nothing scares me anymore!

Yeah, back at the game  
Back spitting 'em facts again

My home girl getting real stressed out  
'zig-zag after zig zag in a chain.  
Cause in the summertime she want the'  
Bust line to the trap.. she staying  
And on the 4th of July her daddy wanted to go outside  
to kick back in the'  
When the night time came  
Some kids put guns in the air on behalf of the game!  
' to the sky and back, without aim  
And the bullets came back without dancing the rain,  
But he had two left feet  
My home girl went outside and couldn't handle the  
pain!  
..face down with a back twist  
Paralyzed from the waist down, sadness!
