Sunday mornin',
Time to say goodbye,
But I'll be home real soon,
Though I'm leavin', girl don't start to cry,
I'll be thinkin of you, yeah

It's a lonely ride on the midnight train,
I'm countin' down the days 'till I'm home again.

How can I sing when my words have run dry?
How can I smile with a tear in my eye?
Summer's so lost when it's raining in June,
That's how it feels, when I'm missing you.
oh yeah, yeah, yeah, baby, oh ooh

Now time ain't healin',
Another week gone by,
Girl it feels like a year, oh ooh
I've been callin',
Every day and night,
How I wish you were here, oh yeah

It's a lonely ride on the midnight train,
I'm countin' down the days 'till I'm home again.

How can I sing when my words have run dry?
How can I smile with a tear in my eye?
Summer's so lost when it's raining in June,
That's how it feels, when I missin' you.

I never met a girl who was so damn sweet,
Can't wait to see you again,
Never had a love that was so complete,
And you know that I'll be dreamin' 'till then, ooh my
baby.

I said tell me now baby,
How can I sing when my words have run dry? (how can I
smile)
How can I smile with a tear in my eye? (tear in my eye)
Summer's so lost when it's raining in June, oh

That's how it feels,(that's how it feels)
when I'm missin' you. (how can I smile?)

Summer's so lost when it's raining in June,
That's how it feels when I'm missin' you.
