When you stepped out that door,
My heart stoped beaten!
When you looked back at me,
I she'd tears,
Yeaaaaah! yeaaaaah! yeaaah!
When you turned back and kept walkin,
I was so lost! So lost!
Was this suppose to be,
I thought 100, 000 times!
Was this suppose to happen,
I thought again and again and againn!
Was this faith or, did I do something wrong! Ohhh.
Was this a dream or was it real,
Was it real, was it real?
Please be a dream, please be aaa... dream!
Yeaaaaaah!

Chorus (2x)
And everytime I close my eyes I see you and me,
yeaaaaah!
But when I open my eyes, your right there baby,
ohohohohohoh!
And when I close and open again!
Ohhhohohohoh!
Your Gone! Your Gone! Your Gone!
Your simply vanished and gone!
Your Gone! Your Gone!
Ehh, Ehh!
Your simply vanished and gone!

So I keep thinkin,
When we gonna get back together!
Yeah, yeah, yeah!
So when I miss you,
I think that I should call yah,
And when I do,
All I hear is,
Beep, Beep, beep!
So where you now!
Baby, I'm missing you,
I'm really, really missing,
Ohohoh! ohohoh!

Well, I left a message saying
PS. I LOVE YOU!
And all got back was nothing at aaaaaaall!

Chorus (2x)

And everytime I close my eyes I see you and me,
yeaaaaah!
But when I open my eyes, your right there baby,
ohohohohohoh!
And when I close and open again!

Your Gone! Your Gone! Your Gone!
Your simply vanished and gone!
Your Gone! Your Gone!
Ehh, Ehh!
Your simply vanished and gone!

Hey, baby, baby!
This is my final call!
You either listen orrrr,
I won't mind if you picked up,
But baby you just gotta listen to this riggggght now.
Right noww!
"So everytime I think of you,
My mind goes on a trip!
My mind goes a trip,
Hey, ey, ey!
And to the world you might be one person,
But to me, to me, your the woooooooooooooorld!
