The sun is shining, the rain comes in  
And I don't know what to do, no  
I don't know where I'm going or where I've been  
'Cos my mind is hooked on you

Words escape me and tears come down  
And day slowly turns to night  
And I think of all we could have been  
I gave up the fight

And you don't  
(You don't)  
Understand  
(Understand)

Girl, you make me all I am  
But I'm starting to see  
Just how hard it can be, on my own  
And I'm sorry, baby, won't you come home?

You said that we'd been defeated  
But, oh, I am so addicted  
Your love is all I need to get by

You told me that you and I  
Would always be true but you lied  
And you're not in love and I don't know why  
No, I don't know why

The days around me and years roll on  
And I still don't think it's right  
(Don't think it's right)  
And I have so much love to give  
But I gave up the fight

Now you don't  
(You don't)  
Understand  
(Understand)

Girl, you make me all I am  
But I'm starting to see

Just how hard it can be, on my own  
And I'm sorry, baby, won't you come home?

You said that we'd been defeated  
But, oh, I am so addicted  
Your love is all I need to get by

You told me that you and I  
Would always be true but you lied  
And you're not in love and I don't know why  
No, I don't know why

No, I can't make it alone  
(I don't know why)  
And I can't be here without you in my life  
And so I ask you, why, you still deny?

And you don't understand

Girl, you make me all I am  
But I'm starting to see  
Just how hard it can be, on my own  
And I'm sorry, baby, won't you come home?

You said that we'd been defeated  
But, oh, I am so addicted  
Your love is all I need to get by

You told me that you and I  
Would always be true but you lied  
And you're not in love and I don't know why  
No, I don't know why

No, I don't know why  
Just tell me why  
Please tell me why
