Sun is shining, the rain comes in  
And I don't know what to do, Oh...  
I don't know where I'm going or where I've been cos my  
mind is hooked on you.

Words escape me and tears come down and day  
slowly turns to night  
And I think of all we could have been,  
I gave up the fight.

And you don't (You don't),  
Understand (Understand),  
Girl you make me all I am,  
But I'm starting to see, just how hard it can be, on my  
own  
And I'm sorry baby won't you come home?

You said that we'd been defeated,  
But oh I am so addicted,  
Your love is all I need to get by.

You told me that you and I would always be true,  
But you lied  
And your'e not in love and I don't know why.  
No, I don't know why.

The days around me and years roll on  
And I still don't think it's right (Don't think it's right)  
And I have so much love to give,  
But I gave up the fight.

Now you don't (You don't),  
Understand (Understand),  
Girl you made me all I am,  
Now I started to see, just how hard it could be, on my  
own  
And I'm sorry baby won't you come home?

You said that we'd been defeated,  
But oh I am so addicted,  
Your love is all I need to get by.

You told me that you and I would always be true,  
But you lied  
And you're not in love and I don't know why.

No I can't make it alone (I don't know why)  
And I can't be here without you in my life  
And so I ask you, why, you still deny?

And you don't,  
Understand,  
Girl you made me all I am

But I'm starting to see, just how hard it can be, on my  
own  
But I'm sorry baby won't you come home?

You said that we'd been defeated,  
But oh I am so addicted,  
Your love is all I need to get by.

You told me that you and I would always be true,  
But you lied  
And you're not in love and I don't know why.

No, I don't know why,  
Just tell me why,  
Please tell me why
