I can't even think straight
Thinking's making me late
But tomorrow and the next day
Dreaming I'm wasting my time, wasting my time

Pre-chorus#

And I wake myself up
I make myself close to you
The clock ticks and tocks
I hope that I'm meant for you
(Repeat)

Chorus*

Said so, said so give me a reason
And I can't let go, can't let go
Nobodies leaving
And I'm still breathing
(Repeat)

How bout we take a small brake
To save us from the heartache
Before it gets too late
And we can change our minds

Pre-chorus#

Chorus*

And I just wanna say I don't wanna play this game
And I just wanna love you but my heart wont say the
same
No~

Cause you

Chorus*

And I'm still breathing(repeat)
