Bring your little friends  
So I can tell them how  
You've taken me through the cracks of the ground  
You're just a little too late  
Time to take the sounds and  
Turn it down

Chorus:

You're all the things I can't ignore  
I need to leave you for now  
And it's breaking me under the floor  
But I, I think I'll be fine  
This parallel define  
With nothing by your side  
I think I'm fine

You know we're not so different  
Taking the world to new heights  
Your eyes tell wonders that no one should know  
You should'nt know  
From down here  
You just revealed the stories of you  
Stories of you

And your

Repeat chorus x2

I think I'm fine
