If he's the big boss and your the hot sauce
My Poor Lola
If he's the big boss and your the hot sauce
Look out below

If he want's to parle with you in Francais
My Poor Lola
If he want's to parle with you in francais
Zip those lips

There are words so tender you will surrender
My Poor Lola
Words so very tender you will surrender
It's der-ric-a

But if the box is ruggish the tounge is bogus
My poor lola
If the box is rubbish the tounge is bogus
You better walk wide

What ever happens that depends
Well now depends on you Lola
What ever happens gonna depend
My Lolita
