Oooh, I am the candyman
Oooh, comin' from bountyland
Oooh, I am the candyman
Oooh, comin' from bountyland

I wish that you were my lollipop
Sweet things, I will never get enough
If you show me to the sugar tree
Will you give me a sodapop for free

Come with me, honey, I'm your sweet sugar candyman
(oooh)
Run like the wind, fly with me to bountyland (oooh)
Bite me, I'm yours, if you're hungry, please understand
(oooh)
This is the end of the sweet sugar candyman

Oh my love, I know you are my candyman
And oh my love, your word is my command
Oh my love, I know you are my candyman
And oh my love, let us fly to bountyland

Oooh, you are my lollipop
Oooh, sugar sugar top
Oooh, you are my lollipop
Oooh, sugar sugar top

I wish that I were a bubble gum
Chewin' on me, baby, all day long
I will be begging for sweet delight
Until you say I am yours tonight

Come with me, honey, I'm your sweet sugar candyman
(oooh)
Run like the wind, fly with me to bountyland (oooh)
Bite me, I'm yours, if you're hungry, please understand
(oooh)
This is the end of the sweet sugar candyman

Oh my love, I know you are my candyman
And oh my love, your word is my command

Oh my love, I know you are my candyman
And oh my love, let us fly to bountyland

Oh my love, I know you are my candyman
And oh my love, your word is my command
Oh my love, I know you are my candyman
And oh my love, let us fly to bountyland

I am the candyman
Comin' from bountyland
I am the candyman
Comin' from bountyland

Comin' from bountyland

Oh my love, I know you are my candyman
And oh my love, your word is my command
Oh my love, I know you are my candyman
And oh my love, let us fly to bountyland

Oooh, you are my lollipop
Oooh, sugar sugar top
Oooh, you are my lollipop
Oooh, sugar sugar top
