Roses are red and
Violets are blue
Honey is sweet, but not as sweet as you
Roses are red and
Violets are blue.

Dum di dia di da(6 times)

Come pick my Roses!

Sweet from the flowers
honey from the bees
I?ve got a feeling, I?m ready to release

Roses are red and
Violets are blue
Honey is sweet,
but not as sweet as you.

It?s invisible but, so touchable
And I can feel it on my body,
so emotional.

I?m on a ride, on a ride
I?m a passenger.
I?m a victim of a heart love messenger.

(Chorus)

Dum di dia di da
Dum di dia di da
Dum di dia di da
The only thing you said was
Dum di dia di da
Dum di dia di da
Dum di dia di da
And roses are red.
(aaaaaaaah),(oooooooooh)

Come with me baby,
Please fulfil my wish
Show it to me truly,
Show me with a kiss.

Roses are red and
Violets are blue
Honey is sweet,
but not as sweet as you.

It's invisible but, so touchable
And I can feel it on my body,
so emotional.
I'm on a ride, on a ride
I'm a passenger.
I'm a victim of a heart love messenger.

(Chorus)

Dum di dia di da
Dum di dia di da
Dum di dia di da
The only thing you said was
Dum di dia di da
Dum di dia di da
